

HAWAIIAN AIRLINES SIGNS AGREEMENT WITH MINT SOFTWARE SYSTEMS FOR THE IMPLEMENTATION OF TRAINING AND RESOURCE MANAGEMENT SYSTEM (MINT TRMS)

ORLANDO, 21.08.2018 - MINT Software Systems is proud to announce its latest service agreement with Hawaiian Airlines for the implementation of the MINT Training and Resource Management System (MINT TRMS) to enhance and optimize the crew training and qualification management of the 10th largest commercial airline in the US.

“We are thrilled to officially welcome Hawaiian Airlines to the MINT user community,” says Frank Vieira Hugger Director Sales and Marketing at MINT Software Systems. “After an extensive selection-process, we are very happy Hawaiian has selected our state-of-the-art training and resource management system, MINT TRMS, and look forward to partnering with them to make MINT an invaluable asset of their training department and operation.”

MINT TRMS will allow training planners, instructors and crews with “anytime, anywhere” online access to their training schedules, electronic grading forms, reports, learning materials, and other training related data. It simplifies and optimizes the management of instructor allocation (roster synchronization), classroom distribution, student allocation, course scheduling and the planning and optimization of flight simulator schedules.

“MINT stood out as a powerful and flexible training and qualifications management solution,” says Todd Jewell, Managing Director, Training & Development at Hawaiian Airlines. “We look forward to further increasing the effectiveness and readiness of our entire training organization to support the growth Hawaiian Airlines has set for the coming years,” he adds.

MINT TRMS allows customers to optimize their training workflows and speed up the planning process with its outstanding scheduling capabilities. This unique platform helps airlines and training centers all over the globe to significantly enhance their efficiency and the day to day life of instructors and crews in training.

The agreement with Hawaiian Airlines includes the MINT hosted (SaaS) MINT TRMS Premium Edition for training schedules, record management, e-grading, in-depth reporting and analysis capabilities, as well as the integration to various Hawaiian Airlines IT systems including crew rostering system used by Hawaiian Airlines.
