	Pro	Pro+	Premium
Manage human resources (e.g. instructors, trainees, freelancers, contractors, administrative staff)	✔	✔	✔
Manage physical resources (e.g. classrooms, simulators, meeting rooms)	✔	✔	✔
Custom fields for resources to track other info (e.g. name, birth date, hire date, contact details, passport information)	✖	✔	✔
Attach documents to resources (e.g. passport, visa)	✔	✔	✔
Filter & search resources by any field	✔	✔	✔

RECORDS & QUALIFICATION MANAGEMENT

	Pro	Pro+	Premium
Manage records/qualifications for skills or competency for resources	✔	✔	✔

	Pro	Pro+	Premium
Track any type of qualification	✓	✓	✓
Maintain full history of all records	✓	✓	✓
Define rules for recurrent training & continuation training	✗	✓	✓
Flexible configuration options for offset periods, cycles, early and late grace	✗	✓	✓
Maintain records & copy of all certificates issued	✓	✓	✓
Attach documents to resource records (e.g. license, medical certificate)	✓	✓	✓
Create custom fields for records to track additional information	✗	✓	✓
View qualification status icons	✓	✓	✓
Define & track career development path	✗	✓	✓
Audit trail of changes made to records	✓	✓	✓
Auto notifications for expiring records	✗	✗	✗

ELECTRONIC FORMS & GRADING

	Pro	Pro+	Premium
Manage forms for grading & data collection	✗	✓	✓

	Pro	Pro+	Premium
Use different grade scales on different gradesheets			
Set default values for form fields			
Print out gradesheets for individual training events or for individual trainees			
Customizable reason codes & comments for grading			
Populate resource & training event information on form based on scheduling data			
Create form templates			
Design & edit forms (or gradesheets) w/ FormBuilder			
Feedback forms (including anonymous feedback option)			

PRODUCT/CURRICULUM MANAGEMENT

	Pro	Pro+	Premium
Manage catalog of training curriculums (products)			
Manage all kinds of training curriculums (e.g. initial, recurrent, conversion & upgrade training)			
Name curriculum components in accordance w/ requirements			

	Pro	Pro+	Premium
Design & view curriculum schedule in graphical display			
Curriculum revision control w/ effective dates & revision status (under construction, published, archived)			
Create custom fields for curriculum(s) to track additional information			
Link resource & requirements to curriculum components			
Define specific roles & quantity required for curriculum events			
Define continuity & discontinuity constraints on resource requirements (eg. same instructor for all days of a training)			
Attach forms, gradesheets & certificates			
Use different gradesheet templates &/or grade scales in different curriculum			
Maintain links to CBT/WBT / e-Learning content handled by LMS *only w/ LMS Add-On			

SCHEDULING & OPTIMIZATION

	Pro	Pro+	Premium
Display schedule by resource & event in Gantt chart			

	Pro	Pro+	Premium
Custom-defined color scheme for projects & events	✓	✓	✓
Maintain all kinds of events for all resources (e.g. duty or non-duty/leave absences)	✓	✓	✓
Automatically assign resources to scheduled events observing all requirements, availability & workrule constraints	✓	✓	✓
Balance workload of resources during automatic scheduling (or vice versa)	✓	✓	✓
Schedule resources automatically based on cost	✓	✓	✓
Manually schedule & reschedule events	✓	✓	✓
Ensure only qualified resources are assigned to training events	✓	✓	✓
Prevent scheduling unavailable & unqualified resources	✓	✓	✓
Manually assign resources to events via drag & drop	✓	✓	✓
Manage resource substitutes & seat support requirements	✓	✓	✓
Schedule on-site & off-site resources	✓	✓	✓
Override any component of curriculum in scheduled event (e.g. event duration, sequence, resource requirements)	✓	✓	✓

	Pro	Pro+	Premium
Manage scheduling demand based on volume or due dates	✓	✓	✓
What-if schedules for long term planning	✗	✓	✓
Create custom fields to track additional information	✗	✓	✓

WORK RULES

	Pro	Pro+	Premium
Define multiple workrule-sets governing the scheduling for different groups	✗	✗	✓
Respect work rules during automatic generation of schedules	✗	✗	✓
Calculate & display warning status for work rule violations	✗	✗	✓
Override work rules	✗	✗	✓
Create/manage workrule-sets	✗	✗	✓

CERTIFICATES

	Pro	Pro+	Premium
Generate & print certificates	✗	✓	✓
Configurable certificate template design	✗	✓	✓

	Pro	Pro+	Premium
Store scanned copy of certificate w/ information (e.g. training event, participant information, date of publication)	✓	✓	✓
Design certificates w/ design tool	✗	✓	✓
Create/manage certificate templates	✗	✓	✓

REPORTING & DASHBOARDS

	Pro	Pro+	Premium
Execute custom reports	✗	✓	✓
Dashboard w/ real-time activity	✗	✓	✓
Display results in textual & graphical/chart format	✗	✓	✓
View reports online, print & export to various formats (e.g. html, pdf, xls, & more)	✓	✓	✓
Create reports w/ ReportBuilder	✗	✓	✓
Store reports as templates	✗	✓	✓
Define reports for private or public use	✗	✓	✓
Access Queries & Table Reports	✗	✗	✓
Jupyter Notebook Add-On	✗	✗	✓

NOTIFICATIONS & WORKFLOWS

	Pro	Pro+	Premium
Create, receive, send, & forward notifications to other system users	✓	✓	✓
Send reports by notification/email (e.g. triggered by menu Items, system or timer events)	✗	✗	✓
Notifications distributed based on certain events/actions being performed in the system	✗	✗	✓
Utilize notification actions, storage actions, & report actions in the action library	✗	✗	✓
Custom event handlers	✗	✗	✓
Access event library including selected UI & API events, menu items, system events, timer events & custom events	✗	✗	✓
Forward MINT notifications to external e-mail account	✗	✗	✓
Configure custom workflows	✗	✗	✗

THEMING

	Pro	Pro+	Premium
Create & edit custom fields for different entities	✗	✗	✓
Customize screen layout w/ company logo	✗	✗	✓
Display company specific messages on home screen	✗	✗	✓

USER MANAGEMENT / SYSTEM ADMINISTRATION

	Pro	Pro+	Premium
Create/manage users & user groups	✗	✗	✓
Set permissions & restrictions for users/user groups	✗	✗	✓
Create System Administrators that have unrestricted access to all system components (can log in as any other user and delete permissions to users)	✗	✗	✓
Limit number of unsuccessful login attempts	✗	✗	✓
Importer tool	✗	✗	✓

COST MANAGEMENT

	Pro	Pro+	Premium
Define Cost per Hour for resources	✓	✓	✓
Schedule based on resource cost	✓	✓	✓
View total cost for all resources assigned to a project	✓	✓	✓
Manage costs & time needed for traveling between locations	✗	✓	✓
Establish/manage prices for training courses for different organizations	✗	✓	✓

	Pro	Pro+	Premium
Create training agreements for customers (e.g. enlist all the prices per course or project for a resource or multiple resources)			
Custom reports w/ ReportBuilder to evaluate data associated to cost (e.g. enlist all the prices per course or project for a resource or multiple resources)			

MOBILE ACCESS

	Pro	Pro+	Premium
Search for resources & display information			
Add events & activities on own schedule			
View schedule & events for daily, weekly, & monthly periods			
View detailed event information (date, time, location, classroom, assignments, & more)			
Access, review & print own reports & certifications			
Read & sign workflow for distribution of information			
Access ad-hoc &/or schedule-driven forms, gradesheets & certificates			

	Pro	Pro+	Premium
Data entry on form/grade sheet via web & mobile device, in online or offline mode	✓	✓	✓
Search & view custom-defined reports	✓	✓	✓
Download reports in various file formats (e.g. html, pdf, xls, & more)	✓	✓	✓
Customize screen layout w/ company logo & theme layout w/ custom colors & fonts	✗	✗	✓
Include custom links	✗	✗	✓
Forward MINT notifications to email	✓	✓	✓
Save user-specific favorite views	✓	✓	✓
Launch computer-based training w/ LMS Add-On	💰	💰	💰
myMINT App (supported on iOS & Android devices)	✗	✓	✓

ADD-ONS & STORAGE

	Pro	Pro+	Premium
CalendarSync	💰	💰	✓
Identity Management (SSO)	💰	💰	✓
Learning Management System	💰	💰	💰

	Pro	Pro+	Premium
Sabre Connector			
FAA Report			
Custom Add-On			
Test Environment			1
Integration Capabilities			
FTP File Storage	10 GB	50 GB	1 TB

MINT SUPPORT

	Pro	Pro+	Premium
Customer knowledge base / Wiki (e.g. licenses, positions, certificates, medicals and any kind of skill or competency for any human or physical resource)			
System manual			
Free tutorials			
Technical Support (ticketing system)			
Bug fixes & performance improvements			
Early access to new versions/features			

	Pro	Pro+	Premium
SLA			
Phone support Nominated user(s), up to 2 hours* per month, measured in 10min blocks. Available 17 hours per day, excl. weekends & public holidays			
MINT User Conference Tickets Subject to change		2	4
